

APPENDIX 1

The Valley – Child Protection and Safeguarding Policy for Parents and Carers

Introduction

We strive to ensure that all our students remain safe and free from harm, and we are committed to playing a full and active part in the multi-agency approach to child protection concerns. Additionally, we have a legal duty to safeguard and promote the welfare of children and young people, and to have a child protection policy and procedures in place, which should be shared with you, to address concerns about the safety and protection of children and young people. We follow both local and national guidance [[KCSIE](#)].

Through our day-to-day contact with students, and direct work with families, our staff have a crucial role to play in noticing indicators of possible abuse, neglect, and exploitation. Parents/carers should be aware therefore, that where it appears to a member of staff that a child or young person may have been abused, exploited or neglected, we are required, as part of the local child protection procedures to report this concern to Children's Social Care (known as the Integrated Front Door) immediately. Therefore, to avoid any misunderstandings, parents/carers of students who sustain accidental injuries such as cuts/bruises/fractures should inform us **without delay** and explain the cause.

Principles • Children and young people have a right to be safe. • Parents/carers have a right to be informed of any concerns unless this would compromise safety. • Children and young people are best protected when we work together with parents/carers.	Partnership • Parents and carers are encouraged to speak to us if they have any concerns. • We will inform parents/carers of any concerns we have and will offer help and support as necessary. • We will involve parents/carers and actively encourage them to participate in any meetings regarding their child. • We will consult with other agencies when we have concerns that a child or young person may have been abused, neglected, or exploited. • When it is practical and safe to do so, we will attempt to speak to you regarding sharing information, providing this does not put anyone at risk.
Prevention • We aim to offer help and support at the earliest opportunity as needs emerge (Early/family Help). • We have a comprehensive PSHE curriculum that teaches our students about keeping safe. • We will take positive action to prevent children and young people from abuse, neglect, and exploitation through the	Responding to Concerns • We listen to children's concerns and take these seriously. We may work with the child to gather their views and daily lived experience. • We will listen to parents/carers who raise concerns about their child and offer support. • We will refer all allegations or concerns that a student has been, or is likely to be,

development of an open culture that informs children and young people of their rights and encourages them to speak about any concerns. • We will provide parents/carers with information to help you to keep your child safe out of school.	abused, neglected, or exploited to The Integrated Front Door. • We will put support in place if we are aware of any concerns this may include completing an Early/family Help Assessment.
--	--

Child on Child Abuse

- Abuse of children by other children will not be tolerated and will be treated seriously. Child on Child abuse can include but not limited to:
- Bullying, including cyberbullying, prejudice-based and discriminatory bullying
- Abuse in intimate personal relationships (teenage relationship abuse)
- Physical abuse, including assaults
- Serious violence and threats involving weapons
- Sexual violence
- Sexual harassment
- Sharing nude or semi-nude images without consent
- Up-skirting
- Initiation or hazing-type violence and rituals

Parents/carers will be kept informed of actions taken. Concerns that meet the significant harm threshold will be referred immediately to Children's Social Care (The Integrated Front Door).

Parents/carers or students can report abuse by contacting social care on 01204 335100 or report through the NSPCC [Helpline](#).

We will ensure students are listened to, their views are taken seriously, and support is put in place. This may include a safety plan. Sanctions will be put in place for students accused where required and support offered to all children involved.

Emotional health and wellbeing

- We aim to support any students who experience any difficulties with their emotional health and wellbeing. Please speak to a member of staff for more details and support can be accessed at Be Kind to My Mind [here](#)

Domestic Abuse

- As part of Operation Encompass, we receive notifications from the police relating to domestic incidents where there are children related to either of the adult parties involved. The aim is for us to offer advice and support.
- Parents and carers are encouraged to speak to us about domestic abuse.
- Services can be accessed at Fortalice [Fortalice - Domestic Abuse Charity Bolton - 01204 365677](#) and [Endeavour Project](#) 01204 394842.

Online Safety

- Children can be harmed and abused online and therefore we have measures in place to protect them. We also teach students how to keep safe online. We have systems in place to monitor online activity in school and ensure harmful content is blocked. Our online safety policy can be accessed on our website.

- It is important that Parents/carers have adequate safety measures in place at home, that children receive consistent messages of how to keep safe online and that they are appropriately supervised. [Parents and Carers - UK Safer Internet Centre](#)

Child Protection Strategy Meetings and Conferences

- If circumstances require, a member of our staff will attend strategy meetings and child protection conferences and will share information. This information for CP conferences will be shared with parents/carers beforehand where possible. We will keep confidential child protection records separately from a student's academic records. And these will be transferred to their future school/college.

Confidentiality

- Information from any source, including parents, about possible child abuse cannot be kept confidential however this will only be shared with relevant appropriate professionals.
- Information and records about children who have a Child Protection Plan will be given only to those people who need it and will be kept strictly confidential by them.

If parents have any concerns, they should contact:

Mrs J. Leonard (DSL/DHT)

Mr A. Hossen (DDSL/HT)

Mrs S. Vipond (DDSL)

Mrs A. Owens (DDSL)
