LEADING PARENT PARTNERSHIP AWARD

The assessor for this award will be in school on Wednesday 31st October 2018.

The Screening and Immunisation and Public Health Commissioning team at the Greater Manchester Health and Social Care Partnership are currently carrying out a review of the school aged immunisation services across Greater Manchester. We are looking for feedback from parents around their thoughts and experiences of the current programmes.

The survey is short and should only take a few minutes to complete.
